Smith Chason College

Pathways to Registry

Bachelor Programs

Smith Chason College graduates are eligible to sit for their registry exams including, SPI, CCI, CCT, ARRT, ARMRIT, and ARDMS. Smith Chason strongly recommends obtaining certifications during your program and after graduation to provide you with the best knowledge and opportunities when entering the medical imaging field. Registry reviews and assistance with the registry exam process are availble to support our students during their journey. Your previous education may allow you to have registry eligibility not addressed here, please see the registry's website for details.

● *= Designates one (1) registry exam fee included in the Program Cost through the Smith Chason Registry Policy for Imaging Programs.*
**For our Bachelor Pediatric and Adult Echocardiography Program: one exam fee for one ARDMS(AE) or ARDMS (PE)*
